Endless possibilities with this great raw acreage tract located a few miles off Highway 183 between Rising Star and Cisco. This 42 acres was an old peanut field and offers great sandy loam to raise improved grass, run cattle or build the horse property you have always wanted. There is a small treed area on the west end of the property that offers great cover for wildlife. With a little TLC this property will be amazing! Property entrance is located on CR 215, not CR 210.
